

Great Moor Community Infant School

Community Support Partner Award

This is a Great Moor Community Infant School award scheme aimed at local businesses & providers. The award is made to local businesses or individuals in recognition of support and contributions to the school (past, present and future).

Key Aims

The award scheme has a 4 key aims that have been established to create a greater sense of cohesion between the school and the broader community, recognising long standing, current and future links. Key aims are...

- to recognise contributions/support made by local providers
- to raise or enhance school and community profile
- to make connections for prospective future partnerships
- to establish a simple school/PTFA database to support events or other aspects of the schools development.

Process

Community support partners formally commit to rolling support for the school. Support provided *might* include...

- *Time*
- *Resources*
- *Expertise & advice*
- *Direct financial support*
- *Gifts, prizes etc for fund raising events*

Awardees need not provide all of the above but through a simple application form, informally commit to some form of rolling support. This may include supplying prizes for Xmas/Summer fairs; discounts on professional services; direct funding of resources or sponsoring equipment; advice or guidance in specific areas; time visiting the school for specific events etc.

Awardees are entered into a school database that can be contacted by the school and PTFA when the need for support arises.

The Award

In return for support, awardees receive...

- GMCIS Community Support Partner window sticker
- GMCIS Community Support Partner certificate
- GMCIS Community Support Partner digital logo for inclusion on business websites/soc med profiles as appropriate
- Inclusion on the schools community group support partner listings
 - NB each window sticker and certificate also includes a QR code linking to the school website page outlining the award details.

If you are interested in joining our enthusiastic and rapidly growing community of support for the school, please download, complete and return the attached application form to

Gifts/prizes/vouchers etc	

Other possible support	
-------------------------------	--

The school and the schools PTFA has a database of local support partners. Partners on the database may be contacted from time to time when the school has a direct need for support for events or for other developmental issues. This database is for use in the school only and is not shared further. By becoming a school Support Partner, you agree to the details supplied here being added to the school database and to being contacted as above.

Nb - Any existing support partners can request at any time to be removed from the database.
