

Important information/message circulated on behalf of Great Moor Junior School regarding 'Fun Club',

Great Moor Junior School Fun Club

We are hoping to open Fun Club on Wednesday 2nd September, but unfortunately we are going to have to limit the number of children we admit to 60 initially for each of the morning and afternoon sessions, in order to adhere to Government guidelines.

You can request a place by emailing funclub@greatmoor-jun.stockport.sch.uk

Please make it clear which sessions you would like on which days. We will allocate places on a first come, first served basis and will let you know by email whether you have a place or not.

We will only be taking bookings from families who are already registered with the Club and will not be able to take on any new families at the moment.

Because we are having to limit our numbers, we ask that if you have alternative options for childcare that you use those if you can so that we can provide spaces for those parents who have no other childcare options.

Thank you
