

Important Information Regarding COVID19 Contact Tracing

Stockport Local Authority (LA) have requested that school leaders continue to support our school and wider community by collating information regarding any new positive cases from within school, over the half term holiday.

To support us with this, please ensure that should your child have a **positive test** result you email us at school as a matter of urgency. Please email on admin@greatmoor-inf.stockport.sch.uk

Should we receive an email from a parent stating that a child has tested positive, we will follow a clear protocol set out in guidance from the Local Authority. There are also colleagues to support us from the LA health and education teams.

In the event of a positive case, where necessary, we will contact the parents of children who may need to self-isolate via email with clear guidance with regard to dates.

Please be assured that confidentiality will be respected at all times.

Thank you for your ongoing support with this.

Wishing you all a healthy,
happy holiday!
We return to school on
Monday 2nd November.

Google Classroom

We have had an extremely positive uptake to Google Classroom so far. The percentage uptake is as follows:

- Year 2 99%
- Year 1 92%
- Reception 85%
- Nursery 66%

Thank you to all who have already assisted in helping their children benefit from their interactive classroom. We would love to see the uptake at 100% for all year groups as soon as possible.

Google Classroom and Google Meet will be used to facilitate our virtual parents' evenings in November.

Many thanks for your ongoing support.

Please contact us after half term should you require any additional support with this.
