

Great Moor Community Infant School

Be the best that we can be!

Our 6 values in school:

- **Respectful** – accepting others for who they are, having good manners, listening.
- **Caring** – looking after others and not just yourself.
- **Creative** - having your own ideas and being brave to do them.
- **Independent** – doing things for your self and knowing when you need to ask for help and not being afraid.
- **Resilient** – being strong, even when things go wrong and not being afraid to make mistakes.
- **Inclusive** – to know that everyone is important, we are all different but we are all important and we should all feel a part of our school.

Let's meet one of them and look at what their value means.

Creative Cody

Cody

Hi ! I am Creative Cody!

I am creative because I come up with my own ideas. I think of an idea and then I am brave enough to follow through with it, even if I don't know whether it will work or not.

Let me tell you a few stories.....

Stories –

- Moving house
- Writing an exciting story

Creative Cody – Moving House

I have a Mummy and a Daddy and a little sister in Mummy's tummy. We are moving house because we need an extra bedroom for when my little sister arrives.

Mummy and Daddy had been very busy packing everything into boxes ready for the move, even my toys!

It was raining outside so I couldn't play in the garden. The TV was packed away so I couldn't watch my favourite programme. All my toys were in boxes so I couldn't play with them. I was bored!

Mummy looked very tired so I didn't want to bother her.

Daddy was busy packing clothes into suitcases so I didn't want to bother him.

I decided to make up my own game. There were lots of spare boxes so I imagined that I was a knight and used the boxes to build a fort.

Mum came in because she hadn't seen me for a little while. She wondered where I was! I had been too busy playing in my fort. Mum said I had been creative, I was Creative Cody!

Creative Cody – Writing an exciting story

I love going to school. I love learning new things and I love playing with my friends!

My favourite subject is English because I love to write.

My teacher said in English we were going to write a story. We had listened to lots of stories and I couldn't wait to get started.

Off we went to our tables. I knew my story setting would be space because I want to be an astronaut when I grow up.

The title of my story was Cody the Amazing Astronaut!

Cody it's time to buckle up and head out on our mission, called Alex the Astronaut.

10, 9, 8, 7, 6, 5, 4, 3, 2, 1 – BLAST OFF

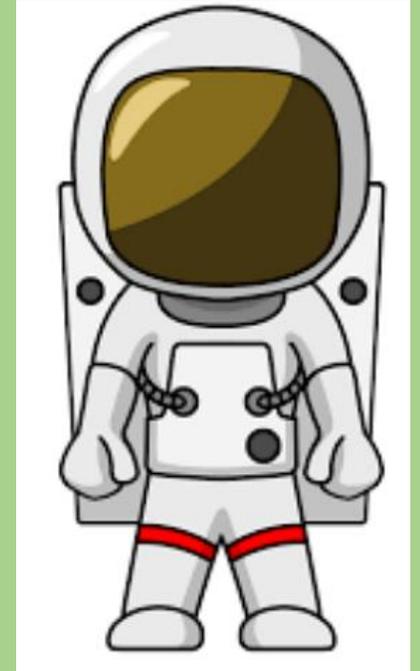

We were off, speeding into space!

Thud! We had landed at our destination, a new, mysterious planet. Nobody had made it before, Alex and I were the first ever people to do it!

We got our kits on – space boots, helmet and oxygen tank.

We were ready to go exploring.

As we took our first steps, we noticed something in the distance.

It had bright green skin, large black eyes, a pink belt and two antennae. It was an alien! Oh my goodness we have found an alien!

Would it be friendly or would it be an enemy? Alex and I were going to find out!

“Cody what an exciting story, I can’t wait to see what happens next!”

I was back in the classroom with Mrs Smith looking over my shoulder at my writing. It was playtime, I couldn’t wait to come back and carry on. I was feeling so creative!

What do you think will happen next in Cody’s story?
