

**GREAT MOOR**  
Community Infant School

Great Moor Community Infant School

### What is bullying?

Bullying is choosing behaviour on purpose that:

Hurts someone with words or actions

Scares someone

Makes someone feel sad

Usually happens more than once

Makes someone feel they are not as special and the ideas they have aren't as important

## Great Moor Infant School Anti-Bullying Charter

I promise to:

- help to create a school community where bullying is not accepted
- always be kind to others
- care if I see someone being hurt
- do my best to include others in my play
- tell a grown up if I see bullying happening so that we all feel safe and have fun in school

Our Anti-Bullying Charter is a promise that all of the children and grown-ups make. Everybody in our school has signed the charter to show we share and understand it and promise to behave as it says.
