Our School Values

From 14th June to 1st July we will be thinking about...

Respectful Rowan

Accepting others for who they are, having good manners and listening.

PTFA Funding News

Your generous support of PTFA events means that we can enrich the school experience for all pupils. The PTFA is fully funding a Circus Workshop for the Year 2 children so they can learn skills ready for their Leaver's show. We are also providing a welcome pack including a book bag for all children starting Reception in September 2022.

GMCIS PTFA Committee

Year 2 Visit to Bramhall Park

Our Year 2 children were excited to go on a coach trip to take part in the Bramhall Park Legacy Trail. The event was run by the SHAPES team and consisted of 6 stations around the park where the children took part in a variety of activities. The children behaved beautifully and enjoyed all the different activities - even the great big hill!
